

Introduction to the YEO Portal

The YEO Portal is a web-accessible secured site that presents information for Youth Exchange Officers and provides a direct way to submit monthly counselor reports, host family change notifications, and more. It is available through any browser, including those on mobile devices, and requires no special software or plug-ins.

NOTE: This document shows screenshots from the RYE-Florida portal, but applies to all organizations using the system.

Each user must log in using his or her own e-mail address and password. New users are provided with a temporary password, which they will be required to change upon first use. The login screen also offers a link for anyone who has forgotten their password; the system will send a new temporary password via e-mail.

The login page is accessed with a special URL provided for each organization ... and it looks like this:

A screenshot of the Rotary Youth Exchange Florida YEO Portal login page. The page has a header with the same logos and text as the banner. Below the header, the title 'Rotary Youth Exchange Florida YEO Portal' is displayed in large blue letters. Underneath, 'Youth Exchange Officer Login' is written in blue. A welcome message states: 'Welcome to the RYE-Florida Youth Exchange Officer Web Portal. This is a secure site which requires a login for access. Please enter your login credentials below.' There are two input fields: 'Your E-mail Address:' and 'Your Password:'. Below these fields is a 'Login' button. At the bottom, there is a link that says 'Forgot Password'.

After login, a simple menu offers the user access to Inbound Students, Outbound Students, or Host Families:

A screenshot of the Rotary Youth Exchange Florida YEO Portal menu page. The page has the same header as the login page. Below the header, the title 'Rotary Youth Exchange Florida YEO Portal' is displayed in large blue letters. Underneath, 'Youth Exchange Officer Menu' is written in blue. There are three buttons arranged horizontally: 'Inbound Students', 'Outbound Students', and 'Host Families'.

The user just clicks on the link for whichever population is desired. We'll look at Inbound Students, and by clicking that link, this screen appears:

The screenshot shows the 'Rotary Youth Exchange Florida YEO Portal' for 'Inbound Students'. At the top, there's a navigation bar with links: 'Inbound Students', 'Outbound Students', 'Host Families', and 'Log Out'. The main title 'Rotary Youth Exchange Florida YEO Portal' is centered, with 'Inbound Students' below it. A world map is in the background. Three dropdown menus are present: 'Select a current inbound student', 'Select a future inbound student', and 'Select a prior inbound student'.

Use the pull-down lists to select the record of any current, future, or prior inbound student you wish to see. Based on their qualifications, some users will see only students affiliated with their own club or district. Note that links near the top of the page allow for quick navigation to the other populations (Outbound Students or Host Families), as well as a Log Out option.

When we select a student, that student's page is presented. Here's a former inbound's page:

The screenshot shows the 'Inbound Students' page for a specific student, Lorena Abreu De Barros. The page has a world map background. At the top, there are three dropdown menus: 'Select a current inbound student', 'Select a future inbound student', and 'Select a prior inbound student'. Below these is a profile section for Lorena Abreu De Barros, including a photo, her email address (loren_abreu@hotmail.com), and her host and sponsor information. Below the profile is a table with student information, host district information, and host club information.

Submit Host Family Change Report

Submit Monthly Counselor Report

Note that this page now includes items like the student's cell phone number, plus information on her current host family, including a link to a map of the home. If a student's arrival or departure is within a week of the current date, this screen will also contain all of the flight details, including a link to track each flight in progress.

At the bottom of the page are buttons for submitting a Host Family Change Report or a Monthly Counselor Report. So, let's click those buttons!

New Host Family Information

Select New Host Family :

Date of Move to New Family:

Is the Student Changing Schools?

If yes, Select the New School:

The Host Family Change Report is a very simple form. The YEO or Counselor who is reporting the move simply chooses the new Host Family from a pull-down list of families in the student's district, enters the date of the move, and if there is a change in schools, selects the student's new school. Clicking the Submit Report button causes the report to be built by the system and automatically filed with the student's record. Simultaneously, the system can send notification and a copy of that report to the District Chair, Inbound Coordinator, or whomever is designated to receive it. Confirmations to the student, the Compliance Officer, and Rotary International may also be generated automatically.

Monthly Counselor Report

To report their monthly contact with the student and host family, the YEO or Counselor uses this form:

**ROTARY YOUTH EXCHANGE FLORIDA**
Sharing the World with the Sunshine State

Rotary Youth Exchange Florida

Monthly Counselor Report

This form satisfies the requirements of Rotary International Youth Exchange certification and the US Department of State 22 CFR Part 62 Regulations. It is to be used by the Host Rotary Club Counselor to record the date and results of monthly contact with the inbound student and host family.

Regular contact ensures the counselor is aware of any concerns (e.g., homesickness, making friends, school performance) in a timely manner and allows for prompt resolution. It is essential that monthly contact be made and documented for compliance with both Rotary International and US Department of State requirements.

This information will be shared with the host district Youth Exchange Chairperson and with the Country Coordinator assigned to this student. However, the Counselor completing this form should contact either or both of those individuals directly if there are any urgent concerns.

Please complete the form in its entirety, then click the "Submit" button at the bottom of the page. Thank you for your support of Rotary Youth Exchange.

Host Families

And this is how the host family page appears:

The screenshot shows a web page titled "Host Families" with a world map background. At the top, there is a dropdown menu labeled "Select a host family". Below it, a blue banner displays "Lawrene & Bill Bishop". A photograph of a house with a large porch is shown, with a date stamp "10/27/2003" in the bottom right corner. The page is divided into sections with yellow headers: "Host Family Information", "District", and "Hosted Students".

Hosted Students

2012-13: Sam Saenz Hinojosa (Ecuador)
2007-08: Laura Dal Bianco (Italy)
2005-06: Geraldine Bless (Switzerland)
2003-04: Pauline Decaestecker (France)

The host family application process requires that a representative of the Rotary club or district conduct a home visit and interview.

[Submit Home Visit/Interview Report](#)

Note that it includes a history of hosted students. It also provides a link for submitting the Home Visit/Interview Report, and the Second Host Family Visit Report as well, if the family is currently hosting and that 60-day report has not yet been completed.

The YEO Portal also houses the online web-form applications for new or renewing Host Families and Volunteers. Access to those forms is not password protected, and the link can be provided to any potential families or volunteers via e-mail or posted on your program's website.

We hope you find this YEO Portal useful, and welcome your suggestions on ways to expand and improve what it offers.
