FIRST NIGHT QUESTIONS WITH YOUR HOST FAMILY These questions are suggestions only. You and your host family should discuss anything that you think is important. We suggest you discuss the items most important to you as soon as possible. When you are in a new place with not much language skill, it is best not to assume anything, but rather, to ask. The simplest questions may be the most important, such as "where is the bathroom"? You can come back to other questions as they seem necessary.
