

JOURNEY TO PEACE

(JPI) SEMINAR #5:

The theme of this seminar is "**Total War on Okinawa, 1945**", where military and mobilized civilians fought in the bloodiest and costliest battle of WWII in the Pacific. An interactive panel of esteemed experts in diplomacy, military service, and history, describe the war's ever-increasing cost that would lead to the decision to employ devastating new weapons of mass destruction.

The panel will be moderated by **Lyla Berg, Ph.D.** and hosted by Miss International Hawaii, **Melody Higa**. Special guests are the family of **Congressional Gold medalist Takejiro Higa** and **Mr. Steve Sombrero**, Hawaii Okinawa United Association (HOUA) honoree.

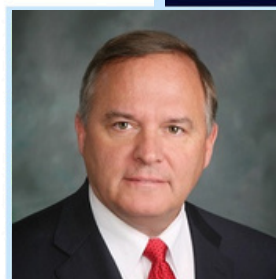

Join us in this important remembrance and discussion of issues that challenge peace still today. Take part in shaping the future and contributing to the vision of peace and cooperation in the INDOPACIFIC. **Reserve your spot today** and be part of this movement toward a more peaceful world.
